

Willo-Hill Christian School Dress Code Guidelines

The Dress Code at Willo-Hill Christian School is to be observed by all students. Our goal is to present a good testimony before others and to honor the Lord through a wholesome appearance. Clean, modest, non-offensive, properly fitting garments are required at all times.

The faculty, staff and administration reserve the right to prohibit any questionable clothing, fads, or styles that we feel do not bring glory to the Lord. Please read through these guidelines thoroughly. If you are unsure of any items, please contact the office for approval before having your child wear it to school.
